

Reese Campus

Course Syllabus

COURSE: HPRS 2200.200 (2:2:0) Pharmacology for Health Professions (2 Credit Hours)
SEMESTER: FALL (16 Week Semester)
CLASS TIMES: Tuesday and Thursday (9:00 am – 10:00 am)
INSTRUCTOR: Kristie Cole, M.Ed, BAS,CST
OFFICE: Reese Campus, Building 5 Rm. 528
OFFICE HOURS: By Appointment Only
OFFICE PHONE: 806-716-4643
E-MAIL: kcole@southplainscollege.edu
PROGRAM FACEBOOK: <https://www.facebook.com/SPCSurgicalTechnology>

The Surgical Technology Program has a Facebook page at <https://www.facebook.com/SPCSurgicalTechnology>. In addition to the South Plains College website, this Facebook page will be used to keep students up-to-date on program activities, weather delays, South Plains College announcements and will help with program recruitment. “Liking” the Surgical Technology Facebook page is not mandatory, nor are personal Facebook accounts, in order to access this page.

Blackboard is an e-Education platform designed to enable educational innovations everywhere by connecting people and technology. This educational tool will be used in this course throughout the semester.

“South Plains College improves each student’s life.”

GENERAL COURSE INFORMATION

COURSE DESCRIPTION

A study of drug classifications, actions, therapeutic uses, adverse effects, routes of administration, and calculation of dosages.

STUDENT LEARNING OUTCOMES

Students will:
1. Be able to demonstrate an understanding of medications as they relate to the role of a surgical technologist. F-1, F-2, F-3, F-4, F-5, F-6, F-11, F-12, C-1, C-5, C-6, C-7, C-8
2. Be able to name, classify, and designate route of administration of medications related to surgery: F-1, F-2, F-5, F-11, F-12, C-1, C-5, C-6, C-7, C-8
3. Be familiar with laws and regulations concerning medications, labels, and regulating government agencies: F-1, F-2, F-3, F-5, F-6, F-11, F-12, C-1, C-5, C-6, C-7, C-8, C-15
4. Be able to compute measurements, quantity and strength of medications with precision: F-1, F-2, F-3, F-4, F-5, F-6, F-8, F-9, F-11, F-12, C-1, C-5, C-6, C-7, C-8

COURSE OBJECTIVES

The Cognitive Domain Objectives:

- Define terminology, abbreviations, and symbols used in basic mathematics and measurement systems
- List common drugs used in surgery
- Define drug administration forms and routes
- List four drug classification categories and identify sub categories

- Explain information found on medication labels
- Define ratios and proportions
- Define the metric system
- State the procedure for labeling medications on the sterile back table
- Define terms related to antimicrobial therapy
- State the purpose of anticoagulation therapy and related
- List the basic function and types of blood
- Name the formed elements present in blood and their functions
- Define terms relating to cancer
- Define terms relating to preoperative medications
- List the classifications of antineoplastic agents
- Define terms relating to patient monitoring and anesthesia
- Recognize phases of general anesthesia
- List agents used to accomplish general anesthesia

The Psychomotor Domain Objectives:

- Obtain drug information from pharmacology resources
- Correctly calculate medication conversions and dosages
- Read and write decimals accurately
- Describe the role of the surgical technologist in medication administration
- Describe drug distribution systems in hospitals
- Describe four processes of pharmacokinetics
- Distinguish brand, generic, and chemical names of medications
- Convert civilian time to military time
- Convert between fractions and decimals
- Use ratios and proportions to solve problems
- Convert temperatures between Fahrenheit and Celsius scales
- Explain the “six rights” of medication administration
- Identify supplies used in medication administration in surgery
- Describe various ways in which antimicrobials work
- Differentiate between the purposes of short-term and long-term use diuretics
- Describe the physiology of blood clot formation
- Describe antigen-antibody interactions in blood types
- Describe the process for blood replacement in surgery using donor blood from the blood bank
- Identify different types of abnormal cell growth
- Explain regional blocks
- Describe the process of endotracheal intubation
- State the names and purposes of medications used in emergency situations

The Affective Domain Objectives

- Discuss expected actions and adverse reactions of commonly administered drugs in surgery
- Discuss federal and state roles in regulating drugs
- Obtain medical information from pharmacological resources
- Compare and contrast administration route, onset of action, antagonist, and purpose of parenteral and oral anticoagulants
- Compare and contrast local, monitored, and regional anesthesia
- Discuss medications administration routes used in surgery
- Discuss Federal and State roles in regulating drugs
- Demonstrate aseptic techniques for the delivery of medications to the sterile field
- Discuss antibiotic resistance
- Explain anticoagulation therapy and its purpose
- Explain the physiology of fluid loss in the surgical patient

- Discuss carcinogens found in our environment
- Describe the types and functions of patient monitoring equipment devices
- Demonstrate the role of the Surgical Technologist in a malignant hyperthermia crisis

OUTCOMES ASSESSMENT METHODS

Assessment methods for this course are both formative and summative.

Formative assessments include:

- Discussions
- Quizzes
- Unit exams
- Classroom activities
- Research activities

Summative assessment will be:

- A comprehensive final exam

ACADEMIC INTEGRITY

It is the aim of the faculty of South Plains College to foster a spirit of complete honesty and a high standard of integrity. The attempt of any student to present as his or her own any work which he or she has not honestly performed is regarded by the faculty and administration as a most serious offense and renders the offender liable to serious consequences, possibly suspension.

Cheating - Dishonesty of any kind on examinations or on written assignments, illegal possession of examinations, the use of unauthorized notes during an examination, obtaining information during an examination from the textbook or from the examination paper of another student, assisting others to cheat, alteration of grade records, illegal entry or unauthorized presence in the office are examples of cheating. Complete honesty is required of the student in the presentation of any and all phases of coursework. This applies to quizzes of whatever length, as well as final examinations, to daily reports, drug cards and term papers. Individual work is required on the drug cards. Use of ANY electronic device during quizzes or tests is considered cheating. The instructor reserves the right to alter seating arrangements during tests and quizzes. No hats/caps may be worn during tests/quizzes. Any verbal or non-verbal communication during tests/quizzes will be considered cheating. All items except test and writing instrument must be removed from the desk. No programmable calculators or cell phone/ipod type calculators may be used. The instructor reserves the right to supply a calculator and writing instruments to students.

Plagiarism - Offering the work of another as one's own, without proper acknowledgment, is plagiarism; therefore, any student who fails to give credit for quotations or essentially identical expression of material taken from books, encyclopedias, magazines and other reference works, or from themes, reports or other writings of a fellow student, or "term paper mill" or website is guilty of plagiarism. A grade of "0" will be given on the assignment.

SCANS and FOUNDATION SKILLS

Refer also to Course Objectives. SCANS and Foundation Skills attached.

VERIFICATION OF WORKPLACE COMPETENCIES

This course has no Capstone Component.

SPECIFIC COURSE INFORMATION

TEXT AND MATERIALS

Practical Pharmacology for the Surgical Technologist + MindTap® Surgical Technology, 2 terms (12 months) Instant Access ISBN10: 1-337-19148-5 ISBN13: 978-1-337-19148-7

Additional Library Resources

Handouts

Research Material

ADDITIONAL CLASSROOM ITEMS

Students should come to class prepared with pens, pencils, and a spiral notebook for taking notes or completed quizzes or assignments in class. Students should be prepared to take notes over lecture material if they choose.

ATTENDANCE POLICY (*READ CAREFULLY)

Class Attendance

Students are expected to attend all classes in order to be successful in a course. The student may be administratively withdrawn from the course when absences become excessive as defined in the course syllabus.

When an unavoidable reason for class absence arises, such as illness, an official trip authorized by the college or an official activity, the instructor may permit the student to make up work missed. It is the student's responsibility to complete work missed within a reasonable period of time as determined by the instructor. Students are officially enrolled in all courses for which they pay tuition and fees at the time of registration. Should a student, for any reason, delay in reporting to a class after official enrollment, absences will be attributed to the student from the first class meeting.

Students who enroll in a course but have "Never Attended" by the official census date, as reported by the faculty member, will be administratively dropped by the Office of Admissions and Records. A student who does not meet the attendance requirements of a class as stated in the course syllabus and does not officially withdraw from that course by the official census date of the semester, may be administratively withdrawn from that course and receive a grade of "X" or "F" as determined by the instructor. Instructors are responsible for clearly stating their administrative drop policy in the course syllabus, and it is the student's responsibility to be aware of that policy.

It is the student's responsibility to verify administrative drops for excessive absences through MySPC using his or her student online account. If it is determined that a student is awarded financial aid for a class or classes in which the student never attended or participated, the financial aid award will be adjusted in accordance with the classes in which the student did attend/participate and the student will owe any balance resulting from the adjustment.

(http://catalog.southplainscollege.edu/content.php?catoid=47&navoid=1229#Class_Attendance)

Due to the importance of the emergency medical information being taught, the instructor of this course defines excessive absences as missing the 3rd class day (or having equivalent tardies) in a course section. A student who meets this criteria will be administratively dropped from the course by the instructor.

- Tardies: (Definition): arriving any time after the class has started or not returning from an approved break after class has started.
- Two tardies will be considered missing one class day and counted as such.
- Work schedule is not an excuse for missing class.

- Any exceptions to this policy must be discussed on an individual basis with the course instructor and the SRTG Program Director. (i.e. – student hospitalization, immediate family member death, etc.)

ASSIGNMENT POLICY

All assignments must be completed by the assigned due date. Late and/or incomplete work will not be accepted and a grade of zero will be recorded. Assignments, quizzes, exams, and skills that are missed due to an unexcused absence may not be made up. See the instructor for more specific information.

A STUDENT IS RESPONSIBLE FOR INITIATING THEIR OWN WITHDRAWAL, if that becomes necessary. If a student is administratively withdrawn from the class, the grade appearing on the transcript will be, at my discretion, an 'X' or 'F'. Administrative withdrawal may occur if the student has excessive absences.

COURSE SYLLABUS STATEMENT

The following statement should be included in all course syllabi for face-to-face and hybrid instruction options:

If you are experiencing any of the following symptoms, please do not attend class and either seek medical attention or test for COVID-19.

- Cough, shortness of breath, difficulty breathing
- Fever or chills
- Muscles or body aches
- Vomiting or diarrhea
- New loss of taste and smell

Please also notify DeEtte Edens, BSN, RN, Associate Director of Health & Wellness, at dedens@southplainscollege.edu or 806-716-2376. Proof of a positive test is required. A home test is sufficient but students must submit a photo of the positive result. The date of test must be written on the test result and an ID included in the photo. If tested elsewhere (clinic, pharmacy, etc.), please submit a copy of the doctor's note or email notification. Results may be emailed to DeEtte Edens, BSN, RN at dedens@southplainscollege.edu.

A student is clear to return to class without further assessment from DeEtte Edens, BSN, RN if they have completed the 5-day isolation period, symptoms have improved, and they are without fever for 24 hours without the use of fever-reducing medication.

Students must communicate with DeEtte Edens, BSN, RN prior to their return date if still symptomatic at the end of the 5-day isolation.

COMPUTER USAGE

As computer technology in the field of Health Sciences continues to become more popular, computers will be used in this course for several assignments. All students have access to computers and printers on the South Plains College campus. Students will be expected to utilize computers to access assignments and classroom resources. All registered students are supplied with a working email account from South Plains College. In order to take exams, students must have their user name and password.

ALL STUDENTS ARE EXPECTED TO KNOW THEIR SPC STUDENT USER NAME AND PASSWORD.

COMPUTER LAB USAGE

The computer lab(s) on any campus may be used by students during scheduled open hours or as assigned by an instructor. Printer paper will not be provided for students to print materials but students may seek assistance from faculty or staff to request lab paper from the college if needed. Lack of computer lab paper is not an excuse for not having homework assignments, skills lab sheets, or any other required documents. Students should come prepared for class.

EXAMS

The majority of student 'written' exams will be administered via computer to prepare them for the National Registry exam and some exams will be handwritten which will encourage memory and mastery of the material. Students should practice proper spelling and grammar when answering a written exam.

Additionally, many exam questions will be constructed in the same manner as national registry questions, allowing students to prepare for that testing format.

GRADING POLICY

The course grade will be determined by a combination of major exams, quizzes, homework, lab work and a comprehensive final exam. Exam dates will be announced. The following guidelines are provided regarding exams:

The course grade will be determined by a combination of major exams and the comprehensive final exam. The number of exams may vary depending on the progress and pace of the class. Exam dates will be announced.

The following guidelines will be followed regarding exams:

1. The student is expected to complete the exam at the scheduled time.
2. No makeup exams will be given unless it is discussed prior to exam day and accepted at instructor's discretion.
3. Late assignments will not be accepted.

The final exam is comprehensive

Test Average	20%
MindTap	30%
Library Assignments	30%
Final Exam	20%
Total	100%

Grades	90 – 100 = A
	80 – 89 = B
	75 – 79 = C
	Below 75 is failing

A final grade average of C (75) must be maintained in all Surgical Technology classes. You must pass all courses to proceed to the next semester.

COMMUNICATION POLICY

Electronic communication between instructor and students in this course will utilize the South Plains College "My SPC" and email systems. I will utilize text messaging and you may communicate with me this way also. The instructor will not initiate communication using private email accounts. Students are encouraged to check SPC email on a regular basis each week of class. Students will also have access to assignments, web-links, handouts, and other vital material which will be delivered via the classroom website. Any student having difficulty accessing the classroom website or their email should immediately contact their instructor for direction. The instructor will work with any student to ensure the student has access to a computer on campus and can obtain the needed class content that is located on the course website.

STUDENT CONDUCT

Rules and regulations relating to the students at South Plains College are made with the view of protecting the best interests of the individual, the general welfare of the entire student body and the educational objectives of the college. As in any segment of society, a college community must be guided by standards that are stringent

enough to prevent disorder, yet moderate enough to provide an atmosphere conducive to intellectual and personal development.

A high standard of conduct is expected of all students. When a student enrolls at South Plains College, it is assumed that the student accepts the obligations of performance and behavior imposed by the college relevant to its lawful missions, processes and functions. Obedience to the law, respect for properly constituted authority, personal honor, integrity and common sense guide the actions of each member of the college community both in and out of the classroom.

Students are subject to federal, state and local laws, as well as South Plains College rules and regulations. A student is not entitled to greater immunities or privileges before the law than those enjoyed by other citizens. Students are subject to such reasonable disciplinary action as the administration of the college may consider appropriate, including suspension and expulsion in appropriate cases for breach of federal, state or local laws, or college rules and regulations. This principle extends to conduct off-campus which is likely to have adverse effects on the college or on the educational process which identifies the offender as an unfit associate for fellow students.

Any student who fails to perform according to expected standards may be asked to withdraw. Rules and regulations regarding student conduct appear in the current Student Guide.

Dropping a class

Students should submit a [**Student Initiated Drop Form**](#) online.

Students will not be required to obtain an instructor signature to drop, however, we do encourage students to communicate with instructors or advisors prior to dropping a course when they are able. **There will be no charge for drops for the fall or spring semesters.**

Withdrawing from all classes

If a student wishes to withdraw from all courses, they should initiate that process with the Advising Office. They can schedule an appointment with an advisor by visiting <http://www.southplainscollege.edu/admission-aid/advising/spcadvisors.php> or by calling 806-716-2366.

Schedule Change (after late registration and before census date)

To make a schedule change after late registration (August 28) and before the census date (September 9), students should submit a [**Schedule Change Form**](#).

After late registration, adding a class requires instructor approval. If a student is requesting to be added to one of your courses and you approve, please email registrar@southplainscollege.edu with your approval. This can take the place of signature on the Schedule Change Form that we have required in the past.

For additional information regarding schedule changes, drops and withdrawals, [click here](#)

Tests

1. Chapters 1-2
2. Chapters 3-6
3. Chapters 7-10
4. Chapters 1-10 Final

COURSE OUTLINE

Reading Assignments and Course Schedule – subject to change by Faculty

Week	Assignments Exams - Tuesday	Drug Card Reference Approval TUESDAY	Drug Card Due SUNDAY
WEEK 1 Tuesday: 8/30 Thursday: 9/1 Sunday: 9/4	Syllabus Review Drug Card Review	DRUG CARD – 1 - Reference	
WEEK 2 Tuesday: 9/6 Thursday: 9/8 Sunday: 9/11	Chapter 1 Chapter 1		
WEEK 3 Tuesday: 9/13 Thursday: 9/15 Sunday: 9/18	Chapter 2 Chapter 2	DRUG CARDS – 2-3 Reference	
WEEK 4 Tuesday: 9/20 Thursday: 9/22 Sunday: 9/25	MATH MATH MINDTAP DUE CH. 1-3		DRUG CARDS – 1-3 DUE TODAY
WEEK 5 Tuesday: 9/27 Thursday: 9/29 Sunday: 10/2	EXAM- Chapter 1-2, Chapter 3 Chapter 3	DRUG CARDS – 4-5 Reference	
WEEK 6 Tuesday: 10/4 Thursday: 10/6 Sunday: 10/9	Chapter 4 Chapter 4 MINDTAP DUE CH. 3-4		DRUG CARDS – 4-5 DUE TODAY

WEEK 9 Tuesday: 10/25 Thursday: 10/27 Sunday: 10/30	EXAM- Chapter 5-6, Chapter 7 Chapter 7	DRUG CARDS – 8-9 Reference	
WEEK 10 Tuesday: 11/1 Thursday: 11/3	Chapter 8 Chapter 8		

Sunday: 11/6	MINDTAP DUE CH. 7-8		DRUG CARDS – 8-9 DUE TODAY
WEEK 11 Tuesday: 11/8 Thursday: 11/10 Sunday: 11/13	EXAM Chapter 7-8; Chapter 9 Chapter 9	DRUG CARDS – 10-12 Reference	
WEEK 12 Tuesday: 11/15 Thursday: 11/17 Sunday: 11/20	Chapter 10 Chapter 10		
WEEK 13 Tuesday: 11/22 Thursday: 11/24 Sunday: 11/27			DRUG CARDS – 10-12 DUE TODAY
WEEK 14 Tuesday: 11/28 Thursday: 12/1 Sunday: 12/4	EXAM – Chapters 9-10 REVIEW		
WEEK 15 Tuesday: 12/6 Thursday: 12/8 Sunday: 12/11	Drug Cards Drug Cards		
WEEK 16 Tuesday: 12/13 Thursday: Sunday:	Comprehensive Final		

Homework will be assigned. This will be part of your online assignments.

The student will use an appropriate medical/nursing resource to research the following medications:

Medications:

- Card #1 Fentanyl (IV use only, for anesthesia, not patch, not chronic use)
- Card #2 Propofol
- Card #3 Versed (IV use only, for anesthesia)
- Card #4 Bupivacaine
- Card #5 Lidocaine
- Card #6 Levophed
- Card #7 Mannitol
- Card #8 Bacitracin
- Card #9 Vancomycin
- Card #10 Dantrolene
- Card #11 Heparin
- Card #12 Protamine

Utilize appropriate medical/nursing resources for the healthcare professional – such as the PDR, anesthesia or nursing reference guides, and formularies. The reference may be no **older than ten years**. No credit will be given if the student utilizes non-health care related materials or does not follow directions. A grade of 0 will be given if the student uses non-health care related material, such as family or home medical guides, or websites that are directed toward the lay public, such **as Wikipedia or Web MD, Drugs.com.** ***The references must be approved in advance.*** Numerous points will be deducted for failure to follow instructions. ***The entire project will receive a grade of “0” for ANY aspect of cheating or plagiarism. Failing this project with a grade of “0” will result in course failure.***

There are several due dates for this assignment. You will need to turn in references for approval for each drug card, on the assigned dates. **Failure to turn in the references will result in five (5) points deducted from that card, each day the reference is late.** All work must be turned in at the beginning of class, not to be counted late.

Ten (10) points deducted for each day the drug card is not turned in. **Cards not turned in at the start of class will be considered one day late.**

The average of the ten cards will constitute 30% of the student's overall grade and must be completed and passed to pass the course.

Please use the Drug card template on Blackboard under Drug Cards

ACCOMMODATIONS

DIVERSITY STATEMENT

In this class, the teacher will establish and support an environment that values and nurtures individual and group differences and encourages engagement and interaction. Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world and about ourselves. By promoting diversity and intellectual exchange, we will not only mirror society as it is, but also model society as it should and can be.

DISABILITIES STATEMENT

Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Disability Services Office early in the semester so that the appropriate arrangements may be made. In accordance with federal law, a student requesting accommodations must provide acceptable documentation of his/her disability to the Disability Services Office. For more information, call or visit the Disability Services Office at Levelland Student Health & Wellness Center 806-716-2577, Reese Center (also covers ATC) Building 8: 806-716-4675, Plainview Center Main Office: 806-716-4302 or 806-296-9611, or the Health and Wellness main number at 806-716-2529.

4.1.1.3 Non-Discrimination Statement

South Plains College does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs and activities. The following person has been designated to handle inquiries regarding the non-discrimination policies: Vice President for Student Affairs, South Plains College, 1401 College Avenue, Box 5, Levelland, TX 79336. Phone number 806-716-2360.

4.1.1.4 Title IX Pregnancy Accommodations Statement

If you are pregnant, or have given birth within six months, Under Title IX you have a right to reasonable accommodations to help continue your education. To activate accommodations you must submit a Title IX pregnancy accommodations request, along with specific medical documentation, to the Director of Health and Wellness. Once approved, notification will be sent to the student and instructors. It is the student's responsibility to work with the instructor to arrange accommodations. Contact the Director of Health and Wellness at 806-716-2362 or [email cgilster@southplainscollege.edu](mailto:cgilster@southplainscollege.edu) for assistance.

4.1.1.5 - Campus Concealed Carry Statement

Texas Senate Bill - 11 (Government Code 411.2031, et al.) authorizes the carrying of a concealed handgun in South Plains College buildings only by persons who have been issued and are in possession of a Texas License to Carry a Handgun. Qualified law enforcement officers or those who are otherwise authorized to carry a concealed handgun in the State of Texas are also permitted to do so. Pursuant to Penal Code (PC) 46.035 and South Plains College policy, license holders may not carry a concealed handgun in restricted locations. For a list

of locations and Frequently Asked Questions, please refer to the Campus Carry page at: <http://www.southplainscollege.edu/campuscarry.php>

Pursuant to PC 46.035, the open carrying of handguns is prohibited on all South Plains College campuses. Report violations to the College Police Department at 806-716-2396 or 9-1-1.

FOUNDATION SKILLS

BASIC SKILLS—Reads, Writes, Performs Arithmetic and Mathematical Operations, Listens and Speaks

F-1 Reading—locates, understands, and interprets written information in prose and in documents such as manuals, graphs, and schedules.

F-2 Writing—communicates thoughts, ideas, information and messages in writing and creates documents such as letters, directions, manuals, reports, graphs, and flow charts.

F-3 Arithmetic—performs basic computations; uses basic numerical concepts such as whole numbers, etc.

F-4 Mathematics—approaches practical problems by choosing appropriately from a variety of mathematical techniques.

F-5 Listening—receives, attends to, interprets, and responds to verbal messages and other cues.

F-6 Speaking—organizes ideas and communicates orally.

THINKING SKILLS—Thinks Creatively, Makes Decisions, Solves Problems, Visualizes and Knows How to Learn and Reason

F-7 Creative Thinking—generates new ideas.

F-8 Decision-Making—specifies goals and constraints, generates alternatives, considers risks, evaluates and chooses best alternative.

F-9 Problem Solving—recognizes problems, devises and implements plan of action.

F-10 Seeing Things in the Mind’s Eye—organizes and processes symbols, pictures, graphs, objects, and other information.

F-11 Knowing How to Learn—uses efficient learning techniques to acquire and apply new knowledge and skills.

F-12 Reasoning—discovers a rule or principle underlying the relationship between two or more objects and applies it when solving a problem.

PERSONAL QUALITIES—Displays Responsibility, Self-Esteem, Sociability, Self-Management, Integrity and Honesty

F-13 Responsibility—exerts a high level of effort and perseveres towards goal attainment.

F-14 Self-Esteem—believes in own self-worth and maintains a positive view of self.

F-15 Sociability—demonstrates understanding, friendliness, adaptability, empathy and politeness in group settings.

F-16 Self-Management—assesses self accurately, sets personal goals, monitors progress and exhibits self-control.

F-17 Integrity/Honesty—chooses ethical courses of action.

SCANS COMPETENCIES

C-1 **TIME** - Selects goal - relevant activities, ranks them, allocates time, prepares and follows schedules.

C-2 **MONEY** - Uses or prepares budgets, makes forecasts, keeps records and makes adjustments to meet objectives.

C-3 **MATERIALS AND FACILITIES** - Acquires, stores, allocates, and uses materials or space efficiently.

C-4 **HUMAN RESOURCES** - Assesses skills and distributes work accordingly, evaluates performances and provides feedback.

INFORMATION - Acquires and Uses Information

- C-5 Acquires and evaluates information.
- C-6 Organizes and maintains information.
- C-7 Interprets and communicates information.
- C-8 Uses computers to process information.

INTERPERSONAL–Works With Others

- C-9 Participates as members of a team and contributes to group effort.
- C-10 Teaches others new skills.
- C-11 Serves Clients/Customers–works to satisfy customer’s expectations.
- C-12 Exercises Leadership–communicates ideas to justify position, persuades and convinces others, responsibly challenges existing procedures and policies.
- C-13 Negotiates-works toward agreements involving exchanges of resources; resolves divergent interests.
- C-14 Works With Diversity–works well with men and women from diverse backgrounds.

SYSTEMS–Understands Complex Interrelationships

- C-15 Understands Systems–knows how social, organizational, and technological systems work and operates effectively with them.
- C-16 Monitors and Corrects Performance–distinguishes trends, predicts impacts on system operations, diagnoses systems performance and corrects malfunctions.
- C-17 Improves or Designs Systems–suggests modifications to existing systems and develops new or alternative systems to improve performance.

TECHNOLOGY–Works with a Variety of Technologies

- C-18 Selects Technology–chooses procedures, tools, or equipment, including computers and related technologies.
- C-19 Applies Technology to Task–understands overall intent and proper procedures for setup and operation of equipment.
- C-20 Maintains and Troubleshoots Equipment–prevents, identifies, or solves problems with equipment, including computers and other technologies.
